

Week of January 1, 2017

### Small Group Questions

Note to leaders: This is a great week to give your group a chance to share about the year that has been and the year that is coming up. This week would also be a good time to reflect on how the year has been for your group, the good and the bad, and hopes people have for your group in the year ahead.

1. What are you thankful to Jesus for in 2016?
2. What word or phrase captures your 2016 for you?
3. What do you need to trust Jesus with in 2017?
4. What word or phrase do you hope will describe 2017?

Spend time in prayers of thanksgiving and trust for one another. You may want to have a prayer time where everyone person is specifically prayed for by someone else.
