

## **11.24.19 - Big Story of the Bible: Back to the Beginning - Christian**

### Leader Prep Section

- Prepare by reading through the questions and scripture passage so that you can select a **few** questions that are best suited to your group.
- Try to work through at least one question from each of the sections - Hook, Book, Look, Took in order to move from observation to application.
- When possible spend time in prayer for each member of your group.

### **The week's summary statement:**

- At the end, Jesus will return to make all things well. There will be the final promised resurrection, the judgment of evil, the end of the human rebellion, and the renewed heavens and earth. All those whom Jesus calls his own will spend eternity with him in this restored future. God will heal the relationship between himself and humanity, as well as restore human relationships with each other and with all creation. We actively anticipate this reality with our lives today. Yet, even in this, the end of this story is not the end of the story. For then the hope that was from the beginning will be fully realized: God the Father, the Son, and the Spirit will dwell with, celebrate, explore and go on creating with their people, world without end.

### **Goal:**

- The goal of this week's conversation is to debrief the entire Big Story of the Bible series together. Take time to reflect back on what you learned, how you have been changed, and what questions remain. Please have yourself or someone else in your group write down some of the themes that come up in your conversation. Christian and Tim would like this Big Story to be an ongoing resource at Hillcrest and your group's feedback will be invaluable in strengthening it further.

### **Hook** - Ice breaker type questions to help make the transition into the study time.

- What are some things that stood out to you from Sunday's sermon?
- What is one of your favorite stories and why?
