Celebration Sunday

Being part of a community is a critical component of living the Christian life. When we belong to community we mourn together and we celebrate together. As we heard stories of what God the Father has been doing in the body at Hillcrest now is our chance to share with those we know best what God has been doing in our lives.

1 – What is one of the best celebration you've ever been to? What made it so fun?

READ Psalm 66

2 – What have you as a small group celebrated over the past year? Are there other types of things you'd like to celebrate this next year?

3 – Personally, what is one way you have seen God at work in and through your life this last year? Where is one place you have seen God at work in and through someone else in the group? (This could be a time of real encouragement for one another.)

4 – What are your hopes for the work God will do in and through your life, your small group, and this church family over this next year?

Pray prayers of thanksgiving and prayers of hope for the next year.
