

Stories of the Kingdom Discussion Questions
07.30.17

This week in light of the sharing Sunday we'd encourage you to have a sharing time with your small group.

- What is a Kingdom Story that has taken place either in your life or someone that you've seen this year? (a place where someone has grown in love of God, grown to be more like Jesus, or reached out to God's world in word and deed)
- What is a communal Kingdom Story for our church over the past season of ministry? What do you find yourself thankful for?
- What do these stories make you want to pray?

Take time to pray, giving thanks for what Jesus has done.
