Message Two: Small Groups (Include)

Hook:

- What was one of the first small groups you were ever part of (maybe it's the one you are currently at!)?
- What is something funny or memorable about those first small groups?

Read:

- Luke 14:25; 10:1; 6:12; 9:28
- Acts 2:46 – 47

Book:

- Describe how Jesus organized his relational life?
- What kinds of intentional relationships did Jesus form?
- What was the purpose of the relationships he formed?
- Describe how the early church organized their community?
- Why do you think the early church had both large group and small group gatherings?

Look:

- What surprised you about how Jesus pursued intentional relationships?
- What is your reaction to the idea that "Jesus wasn't best friends with everyone"?
- Who do you know in your life that has done a good job of pursuing intentional Jesus centered relationships? What does that look like for them?

Took:

- What do you feel Jesus inviting you personally into from these texts?
- What vision do these texts inspire in you for your small group?
- What are some hopes you have for your small group for this year?
