Two fun games our group has done

BRING YOUR OWN BOOK

Rules:

- Everyone brings 2 favorite books.

- One person chooses a "prompt" (below), and all the other players have 1 minute (we can change the time as needed) to find a sentence in one of their books that "best" fits the "prompt" - as determined by the one who chose the prompt in the first place (like Apples To Apples).
- If you don't choose a sentence in time, you must grab a random sentence in your book and read it :)
- 1 Round = everyone has had 2 turns to choose a prompt

Prompts - Round 1: Classic (Everyone gets 2 turns)

1. Something spoken by an animal in a fairy tale
2. A hero's catchphrase
3. A one-liner from an action movie
4. A line from a teenager's diary
5. The moment in a romantic comedy when hearts are broken
6. An item on a resume
7. A phrase that could inspire revolt
8. A sentence in a fortune cookie
9. A phrase you wouldn't want to hear your grandparents say
10. A political slogan
11. Part of a love letter
12. Famous last words
13. Something yelled at a broken machine
14. The moment in a sci-fi novel when a robot behaves unexpectedly
15. The meaning of life is...
16. Something you could hear Arnold Schwarzenegger say
17. Lyrics from a power ballad (e.g. Journey)
18. Part of a piece of e-mail spam
19. An alien's first words to mankind
20. A universal truth

Round 2: Muggles In The Know (Everyone gets 1 turn)

1. Something you'd shop for in Knockturn Alley
2. Something a love potion might smell like
3. An inconvenient horcrux
4. One of the rejected methods for guarding the Sorcerer's Stone
5. An effect from using a Weasley product
6. A curious patronus
7. A Hufflepuff house motto
8. An event someone would blame on Peeves the Poltergeist
9. The slogan for a fast Quidditch broom
10. One step in brewing Polyjuice potion

LOADED QUESTIONS

Rules:

- Everyone needs to have a cell phone out to text with
- Couples can be on the same zoom call together

- Determine the order the players will go on. If couples are on the same zoom call they cannot go one right after the other.
- Player One looks at the first 5 questions on the Loaded Question list and chooses one for all the players to answer. Player One then starts a 1 minute timer.
- The rest of the players then individually text their answers (can be true, can be ridiculous) to Player Two. Player Two texts themselves an answer as well.
- Once the 1 minute is up. Player Two reads all the answers to Player One.
- Player One guesses which answers are from which players. Player One gets 1 point for every correct guess.

- The next round then begins by Player Two looking at the next 5 questions (starting at the one Player One chose) and choosing one. All Players then text their answers to Player Three. And so on....
