

Prayers and Proverbs

Week 10 11/1/20

Read: Proverbs 18:24

- **24** One who has unreliable friends soon comes to ruin, but there is a friend who sticks closer than a brother.

Questions:

- Why do we need friends?
- How can we be real friends to each other?

Answers: In the Bible, it talks so much about choosing good friends with wisdom, and just how important friends are. (Proverbs 1:10-19) Friends are there for us in our troubles, and they help us to follow God. And we can help our friends in their troubles also!!

Activity:

- **3yrs-Kindergarten:** Follow the craft in your box and make a friendship bracelet!
- **1st-5th:** This week, I want you to do something special for one of your friends. You can bring them a small gift, maybe a note saying how much they mean to you... Anything you want! Just try to show them how much you value their friendship. (There is a card you can color and give away too!)

Prayer:

Dear Jesus, thank you for placing people in my life that make it better. You've given me friends and people I can count on. Help me to be a friend to them. Most of all, thank you for being a friend that is like no other. You are always trusting, truthful, and there when I need you. AMEN!
