

Prayers and Proverbs

Week 11 11/8/20

Think! We can have an idea in mind, but God really makes everything happen! God knows what the big picture is for our lives!

Read: Proverbs 19:21

- **21** You can make many plans, but the Lord's purpose will prevail.

****What does prevail mean?**

- Prevail means to overcome and succeed in something.

Questions:

- What does this verse mean?
- What are things in our life that God needs to plan for us?

Answers: This verse is talking about making our own plans about things, but really, God is always going to have the best plan for our lives!

Think about things like friends and what school we go to. God makes all of those plans, and we get to follow them because they are what's best for us.

Activity:

- **3yrs-Kindergarten:** This week, follow the craft in your bin and color your verse. Have your parents hang it as a reminder to learn your verse!
- **1st-5th:** This week, you have a coloring sheet to work on, and I want you to ask God to help you prevail over something really hard. It can be a tough homework assignment or chore at home.

Prayer:

Dear Jesus, I have so many plans, but I know if they are not from you, they will not stand. Lead me to your wisdom. In Jesus' name I pray. AMEN!
