

HELLO MY NAME IS...

WEEK 2

PRESCHOOL-5TH
GRADE:

THE IMPORTANCE OF
NAMES

DATE: 1/17/21

READ:

- "O Lord, our Lord, How majestic is Your name in all the earth, who have displayed Your splendor above the heavens" - Psalm 8:1

ANSWERS AND NOTES:

THINK!

- God has many different names that He is known for, and it might seem like we have only one, but we also have many names. Think about what you call your mom. You probably call her mom, but other people call her by her first name. If you talk to a teacher, you call them Mr or Mrs or Miss or you call them by their last name, but their friends don't call them that! Just like God, we have many different names.

QUESTIONS:

- What are the names you use for the people you see everyday?
- 1000 years ago, did God know your name and birthday?
- Ask your parents, 'how did you choose my name?'

1ST-5TH ACTIVITY:

PRESCHOOL ACTIVITY: DIRECTIONS IN PACKET

- Please use the template of lettering we have included and trace your name with your sharpie. Then color it in with paint, markers, pencils or whatever is most fun for you. Cut out carefully around the outside of the sharpie line and set aside. Now you get to gather ANY scrap paper you can find and glue to the wood print paper (provided). Once this is done, glue your name on the top of your background.
