

April 22, 2021

Dear Treasureland Families,

We are writing to you with more exciting news about our next steps in re-opening. We know that this year has been different for all of us. We want to respect that your family may or may not join us in person when we re-open. We are working hard to make this safe as we welcome you back.

Treasureland will now be open for Kindergarten through 5th grade and Nursery & Twos on May 2nd. We are looking forward to opening preschool in the near future. We miss you!

Below you will find some information you will need for your kids to come back to Treasureland.

### **CHECK IN:**

We are asking that you drop your children off at the beginning of the service and we will use the downstairs entrance ONLY. You will bring your children through the double doors downstairs and check them in at our check-in table like we did when we were previously open. Kids will be escorted to their classrooms with teachers ready to start class. You will then be free to use the stairs or elevator to go up to the main service.

### **CURRICULUM:**

We would love to have you bring your curriculum bag with your elementary age children if you come in person. If you choose to have your child in service with you, they can use their curriculum there.

### **FINAL THOUGHTS:**

Please let us know if you have not been receiving curriculum. Also, please feel free to ask any questions for clarification. We know this can be confusing and we want to make it as easy and as helpful for you as possible. Lastly, we are still in need of preschool and upper elementary teachers. Please let us know if you are interested in helping with these ages
